By his EXCELLENCY
NATHAN BELCHER, Esq
Captain General and Governor in Chief, in and over
His Majesty's Province of the Massachusetts-Bay in
New-England.

A PROCLAMATION.

HEREAS His Majesty has been graciously pleased, for vindicating the Honour of His Crown, so much affected by the Violation of the Convention concluded on the 14th Day of January last, New Style, between His Majesty and the King of Spain, and for Reparation of the Losses His Majesty's good Subjects have suffered by the unjust Seizures and Captures of their Ships and Effects made by the Spanish Guarda Costas, and Ships acting under Commission from the King of Spain and his Governors, and in just Retaliation of the Cruelties and Barbarities exercised on the Persons of His Subjects, for which no Redress has been made; to order that the Ships and Effects of the King of Spain and his Subjects be seized and taken where-soever they shall be met with: And whereas His Majesty has been likewise pleased by Warrant under His Royal Sign Manual, to Authorize and Impower Me to issue forth and grant Letters of Marque and Reprisal, to any of His loving Subjects, or others, who shall apply to Me for the same, and whom I shall deem fully qualified in that Behalf, for arming and fitting out private Ships of War, for the apprehending, seizing and taking the Ships, Vessels and Goods belonging to the King of Spain, his Vassals and Subjects, or any inhabiting within his Countries, Territories, and Dominions within the West-Indies:

I have therefore thought fit, with the Advice of His Majesty's Council, hereby to publish and make known his Majesty's Pleasure on that behalf, that all Merchants and others who shall be desirous and disposed to equip and set forth any private Ships or Vessels of War, for apprehending, seizing and taking the Vessels and Effects belonging to the King of Spain, or any of his Vassals and Subjects, or others inhabiting within his Dominions, that may be found or met with in any Part of America, shall receive all proper Encouragement and Assistance in such Undertaking; And that lawful Commissions, or Letters of Marque and Reprisal shall be accordingly granted to suitable Persons for the Command of such private Ships or Vessels of War; and all the Mariners and Soldiers duly listed shall be freed from all Impresses for any other Service whatsoever.

And all His Majesty's Subjects within this Province, are forbidden at their utmost Peril, to supply the King of Spain's Subjects with any Ammunition, or Stores of any Kind: And all His Majesty's Officers whom it may concern, are commanded to be careful in searching and examining all Vessels that may be suspected of carrying and conveying any Ammunition or other Stores to any Spanish Ports, that so such unlawful Trade may be prevented, or those concerned therein punished with the utmost Severity of Law.

And all His Majesty's Loving Subjects that may trade or be concerned with any of the Subjects of the King of Spain, are hereby notified to be upon their Guard, and to be careful of their Persons and Interests, for Prevention of any Mischief that they might otherwise suffer from the Spaniards, in Revenge for the Measures which His Majesty is obliged to take to do Himself and His Subjects Justice.

Given at the Council Chamber in Boston, the Tenth Day of August, 1739. in the Thirteenth Year of the Reign of our Sovereign Lord GEORGE II. by the Grace of God, of Great Britain, France and Ireland, King, Defender of the Faith, &c.

LONDON.

A Dutch Mail arriv'd Yesterday, with Advice, That the Houses of Two considerable Persons at Vienna have been insulted on account of the late Preliminaries, particularly the House of General Schmettau, whose Windows were broken, which so frighted his Lady, that she miscarry'd and dy'd; That a Committee of the Council of War is appointed to enquire into the Conduct of the Count de Neuperg, who is return'd to the Camp of the Grand Visier to draw up in Concert with the Marquis de Villeneuve the Treaty of Peace, or Truce, in due Form for being sign'd or ratify'd; That General Wallis has justify'd his Conduct as to the Execution of the Preliminaries in a Memorial which he has sent to Court; That several Generals of the Imperial Army have entered strong Protests against the Preliminaries relating to Belgrade; That when it was known in the Imperial Camp that one of the Gates was deliver'd up to the Turks, the Soldiers cry'd out that they were ready to spill the last Drop of their Blood rather than it should be done, if any body would lead them out against the Enemy; but their Zeal was too warm for the then Turn of Affairs; That the Merchants and other chief Inhabitants are retir'd from Belgrade with their Effects; and, That the Artillery which the Imperialists had there is removing to Peterwaradin.

They write from Vienna, that tho' the Czarina is shut out of the Preliminaries, the Emperor is resolv'd to do his utmost that she may be included in the Treaty of Peace; That M. Dahlman, the Emperor's Minister lately at Constantinople, is also set out for the Grand Visier's Camp, to assist the first Plenipotentiary Count Neuperg in concluding the Peace; and, That the Defeat of the Turks near the Niester and the Taking of Choczim has caus'd so great a Consternation in the Grand Visier's Camp, that Orders have been sent to the Troops that are filing off towards Widdin to pass the Danube speedily, and to hasten towards Moldavia.

The most Delightful Fragrant Tincture for the Breath, Teeth and Gums.

AT once using makes the BREATH most charmingly fine, sweet, and pleasant, the Teeth perfectly white, clean and beautiful, and is the most effectual Cure for the Scurvy in the Gums in the World.

It infallibly preserves the Breath, Teeth and Gums in the utmost Beauty and Perfection, if they are no Ways diseased; and if they are, immediately rectifies all their Disorders in the same Minute it is used it makes the most offensive Breath smell incomparably fine and charming, and in a short Time so effectually cures, that a disagreeable Breath will never return.

It instantly makes the blackest and most foul Teeth entirely white and delicately beautiful; infallibly preserves them from decaying, and those a little decay'd from becoming worse; absolutely cures the Scurvy in the Gums, be it ever inveterate, causing the Flesh to grow up to the Teeth again, when almost eaten quite away, and affords infallible Teeth to Admiration. It is to be used but a few Drops at a Time, is exceeding pleasant, and leaves a very grateful and delectable Flavour in the Mouth.

In a Word, for most delightfully performing, and quickly curing an ill-scented Breath, for immediately making the blackest Teeth most excellently white, certainly surpassing all when loose, effectually preserving them from rotting or decaying, and infallibly curing the Scurvy in the Gums, it is not its Equal in the Universe, as all the Quality and principal Gentry, who use it acknowledge.

It is to be had only at Mr. Radford's Toyshop, at the Sign and Crown against St. Clement's Church-yard in the Strand, at 3s. 6d. a Bottle, with Directions.

This Day is Published,

The Sixth Edition, with material Additions, Alterations and Amendments, of

A Treatise of the Diseases of the Head,

Brain, and Nerves, more especially of the Palsy, Apoplexy, Lethargy, Epilepsy, Convulsions, Cramp, Tremor, Vertigo, Megrim, inveterate Head-ach, &c. with Directions for their thorough Cure, and how these and many other deplorable Nervous Distempers may be assuredly prevented, as well as certainly cur'd, and consequently many Lives saved by the Medicines therein, in English, prescribed, without the least Reserve.

To which is subjoined,

A Discourse of **MELANCHOLY** in Men, and **VAPOURS** in Women; explicating the whole Train of Symptoms, various Degrees, and real Cause of those wretched Maladies; and discovering a short and most certain Method of Cure, by safe and easy Remedies therein also candidly presented, and by which Persons of either Sex, who are unhappily affected with Melancholy or Vapours, may absolutely cure themselves of those pernicious Distempers in a short time, without any Fatigue or Disorder. By a Physician.
London, printed and sold by the Author's Appointment, only at the Gentlewoman's at the Two Blue Posts in Harting-Yard in the Minories. Price bound 2s.

These are to Certify whom it may concern,

THAT the Two Medicines for external Use, which have been sold with so much Success for the Good of Mankind above Thirty Years last past, for the Cure of

All Sorts of RUPTURES, BURSTEN, or BROKEN BELLES.

are removed from the Minories where they have been sold for the Author, so long, and are now sold only at Mr. Sandwell's Toyshop, the Sign of the Griffin, the Corner of Bucklersbury in the Poultry, at 5s. the Parcel, with printed Directions given with them.

These two Remedies need no other Recommendation than themselves will manifest in two or three Days using, having by their admirable and even astonishing Success, gained the Reputation they so justly deserve, both in City and Country, after wearing Trusses for many Years to no Purpose.

For by the Blessing of God, they make a perfect Cure, either on Older Young, in a very little Time, and for a small Charge, without any Pain to, or Confinement of the Patient; one Parcel is generally sufficient for a complete Cure, especially on a young Person.

Many Hundreds of all Ages and Sexes have been cured by them, which occasioned this Publication, for the Good of the Publick, that all such unhappy People may be delivered from the Charge and Slavery of always wearing Trusses.

The World might have had many Certificates of Cures of Persons of all Ages, from Children of a few Months old, to grown Persons of 60 Years or upwards; but that People are naturally averse to let it be known, that they ever had such an Infirmity: Yet Mr. Sandwell can satisfy any Inquirer of the Validity of what is here said, tho' he has not had such large Knowledge, by reason of the short Time he has sold 'em, as they from whom the Medicines are now, for good Reasons, removed.

No Letters received except Post paid.
